

Delirium – A New Quality Standard for an Important Health Concern

Provincial Geriatrics Leadership Ontario and Ontario Health will be co-hosting a webinar with clinical experts to share information and resources to support people who are at risk for delirium or who are experiencing symptoms of delirium

Wednesday, March 17, 2021 | 12:00 p.m. – 1:00 p.m. (EST)

[REGISTER NOW](#)

Target Audience:

- Health care providers working with older adults

Objectives:

- Recognize delirium and understand its significance in COVID-19 infection and other situations
- Learn about the new Delirium quality standard and related resources, as well as where to access them
- Identify the resources available to support individuals (and family members) who are at risk for delirium or who are experiencing symptoms of delirium

Speakers:

- **Barbara Liu, MD, FRCPC**, Executive Director of the Regional Geriatric Program of Toronto; Geriatrician, Sunnybrook Health Sciences Centre; Professor and Geriatric Division Director, Department of Geriatric Medicine at the University of Toronto; Co-Chair, Delirium Quality Standard Advisory Committee
- **Nicole Lafrenière-Davis**, Lived Experience Advisor, Quality Standard Advisory Committee

Moderated by:

- **Kelly Kay, MA, PhD(c)**, Executive Director, Provincial Geriatrics Leadership Ontario
