

Health Care Provider Town Hall – Adverse Events Following COVID-19 Immunization

Hosted by Halton Region Public Health

Date: Thursday, June 24, 2021

Time: 5-6 p.m.

Register: Online ([registration form](#))

Join Halton Region Public Health for a discussion on COVID-19 vaccines and Adverse Events Following Immunization (AEFIs) you may be seeing with your patients.

Presentation will be created based on questions submitted during registration. The Town Hall will also have a live question and answer session.

Dr. Joanna Oda

Associate Medical Officer of Health,
Halton Region Public Health
COVID-19 Vaccine Lead
